PNEUMATIC WASTE & LINEN

PNEUMATIC TUBE SYSTEMS

Atreo Pneumatic Intelligence

Make a difference with Atreo, your pneumatic intelligence partner. With more than 50 years of experience, we combine organizational insight and advanced technologies to deliver optimal solutions.

TRANSVAC PNEUMATIC WASTE & LINEN SYSTEM

■ Prevent Infection ■ Increase Efficiency ■ Save Precious Space

Our intelligent system transports waste and linen at high speeds through sealed pipe networks from loading stations on patient floors to central collection areas

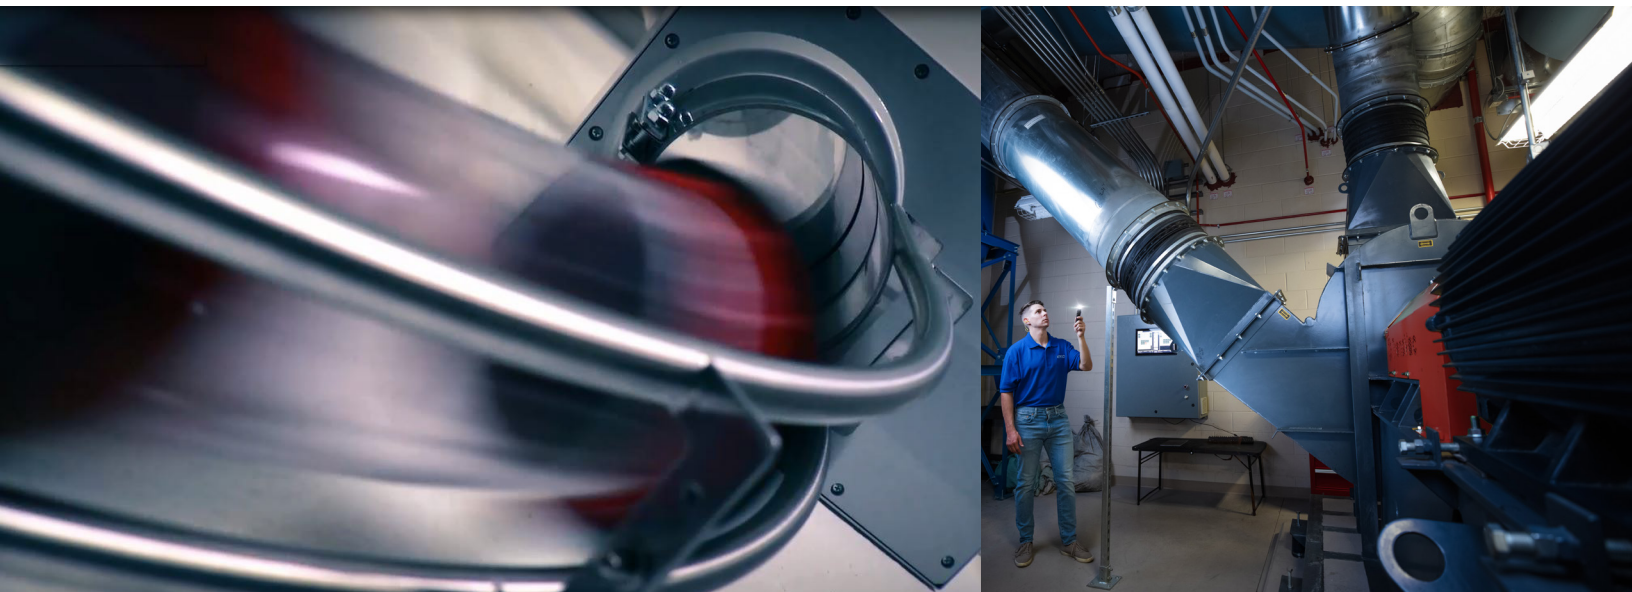

AEROCOM PNEUMATIC TUBE SYSTEM

■ Reduce Wait Time ■ Save Ceiling Space ■ Be Quiet and Leak-Proof

The intelligent system offers unique advantages including pass-through design, enhanced security and leak-proof carriers.

SUPERB SERVICE AND SUPPORT

We stand with you by providing corrective, preventive, and predictive maintenance programs. Pneumatic tube systems by other manufacturers can be economically converted to Aerocom to boost performance with its unique advantages.
